CODE OF CONDUCT **CLUB OFFICIALS AND VOLUNTEERS**

The essence of good ethical conduct and practice is summarised below. All club officials and volunteers must:

- ensure you always work within the RFU guidelines, Continuum and Club Child Protection Policy.
- consider the well being and safety of participants before the development of performance.
- develop an appropriate working relationship with performers, based on mutual trust and respect.
- make sure all activities are appropriate to the age, ability and experience of those taking part.
- promote the positive aspects of rugby (eg fair play, good sportsmanship).
- display consistently high standards of behaviour and appearance.
- hold the appropriate, valid qualifications and insurance cover.
- never exert undue influence over performers to obtain personal benefit or reward.
- never condone rule violations, rough play or the use of prohibited substances.
- always encourage performers to value their performances and not just results.
